Happy New Year

An employee comes into her manager's office to take a day off from work. The manager replies, "So you want a day off. Let's take a look at what you are asking for. There are 365 days per year available for work. There are 52 weeks per year in which you already have 2 days off per week, leaving 261 days available for work. Since you spend 16 hours each day away from work, you have used up 170 days, leaving only 91 days available. You spend 30 minutes each day on coffee break, which counts for 23 days each year, leaving only 68 days available. With a 1-hour lunch each day, you used up another 46 days, leaving only 22 days available for work. You normally spend 2 days per year on sick leave. This leaves you only 20 days per year available for work. We are off 5 holidays per year, so your available working time is down to 15 days. We generously give 14 days vacation per year which leaves only 1 day available for work and I'll be darned if you are going to take that day off!

A police officer sees a man driving around with a pickup truck full of penguins. He pulls the guy over and says, "You can't drive around with penguins in this town! Take them to the zoo immediately."

The guy says okay, and drives away. The next day, the officer sees the guy still driving around with the truck full of penguins -- and they're all wearing sunglasses. He pulls the guy over and demands, "I thought I told you to take these penguins to the zoo yesterday?"

The guy replies, "I did. Today I'm taking them to the beach!"

in the feet.

A woman decided to have her portrait painted. She told the artist, "Paint me with diamond rings, a diamond necklace, emerald bracelets, a ruby brooch, and gold Rolex."

"But you are not wearing any of those things," he replied. "I know," she said. "It's in case I should die before my husband. I'm sure he will remarry right away, and I want his new wife to go crazy looking for the jewelry."

The Health Hut

We are not just a Herb Store.

We also offer a good variety of Rice, Flour, Salt, Peppers, Soup Starters, Cereals and Baking Goods. (Grains, nuts, lentils) etc.

Dumb and Dumber met in the middle of the desert. Dumb was carrying a car door, Dumber an umbrella. Dumb said to Dumber "Why are you carrying that umbrella around, it isn't going to rain in the desert?" To which Dumber replies, "Yeah", but it keeps me out of the sun! By the way, why are you carrying around that car door, you don't even have a car to go with it" Dumber says "yeah, well at least if I get too hot from the sun I can just roll down the window!"

An insurance agent was teaching his wife to drive when the brakes suddenly failed on a steep, downhill grade. "I can't stop!" she shrieked. "What should I do?" "Brace yourself," advised her husband, "and try to hit something cheap."

Did you hear about the family who owned an English pointer and an Irish setter? The dogs got married at Christmas time and have pointsetters.

An idle mind is.....the best way to relax.

Suffering from a bad case of the flu, a man phoned his doctor to get an appointment. When he was told the scheduled date of the appointment, he became outraged and bellowed, "Three weeks? The doctor can't see me for three weeks? I could well be dead by then!" Calmly, the receptionist replied, "If so, would you have your wife call to cancel the appointment?"

One night, a lady stumbled into the police station with a black eye. She claimed she heard a noise in her back yard and went to investigate. The next thing she knew, she was hit in the eye and knocked out cold.

An officer was sent to her house to investigate, and he returned 1-1/2 hours later with a black eye. "Did you get hit by the same person?" his captain asked. "No," he replied. "I stepped on the same rake."

Coffee Corner

It is with deep sadness that this paper is being printed. The passing of our Mother and Grandmother Phyllis Warnock has taken quite a toll on all of us here. She passed away on Dec. 29th. Please keep us in your prayers and may God keep us all in his care this New Year.

Cop: "Sister, this is a 65 MPH highway -- why are you going so slow?"

Sister: "Sir, I saw a lot of signs that said 22, not 65."

Cop: "Oh Sister, that's not the speed limit, that's the name of the highway you're on!"

Sister: "Oh! Silly me! Thanks for letting me know. I'll be more careful."

Cop: "Excuse me, Sister, what's wrong with your friends back there? They're shaking something terrible."

Sister: "Oh, we just got off of highway 119."

One evening, I went with my parents to a fancy restaurant. Dad was about halfway through his meal when he took a hard look at the potato, called the waitress over and said, "This potato is bad!" To my utter amazement, the waitress at this "5-Star" place, picked the potato up, smacked it, put it back on the plate, then told my Dad, "If that potato causes any more trouble, just let me know."
